

THE 2ND INTERNATIONAL EXHIBITION FOR MEDICAL INDUSTRY
AND HEALTH TOURISM "EXPOMED BATUMI 2018" ON 13-15 APRIL

The exhibition Company "GEONET EXPO" is holding the second international exhibition of "Medical tourism and equipment" in Batumi, at Hotel "Sheraton" on 13-15 April. The organization invites both local and foreign companies to participate in the exhibition. Modern medical technologies, medical schools, dental clinics, pharmacies, and drug manufacturers, modern hygienic and cosmetic care products, leading plastic surgery clinics and operating medical tourism companies will participate in the exhibition.

The international exhibition "EXPOMED BATUMI 2018" will contribute to the improvement of medical services in the region. The representatives of various leading medical clinics of different countries will be invited. During the exhibition presentations of modern medical technologies will be held. The agreements will be signed for the future cooperation and the bilateral meetings will be held.

The participant companies in the exhibition will be from the following target markets: Georgia, Russia, Turkey, Ukraine, Azerbaijan, Armenia, Iran, and Poland.

The co-organizers of "EXPOMED BATUMI 2018" are: the Government of Ajara A.R.; Ministry of Health and Social Protection of Ajara A.R.; Batumi City Hall; Chamber of Commerce and Industry of Ajara; International Association of Investors. The media supporter: Ajara TV, newspapers "Ajara Business Week" and "Caucasus Business Week"
