

To Commercial Attache of Ukraine Embassy,

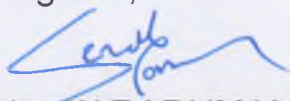

We request 200 tonnes of "Produced Sunflower seed oil (liquid) at Ukraine", served in the 1, 3 and 5 lt tins.

Subject oil will be transported and delivered to the Iraq custom finally after passing through Turkey custom in liquid form.

For this purpose; providing required conditions, laboratory analysis results of the subject oil, ISO and other quality certificates, production certificate and international certificates are requested from us. Turkey and Iraq customs also request laboratory results.

In this scope, we kindly request from you to suggest us Ukraine firms providing above mentioned conditions.

Best Regards,

  
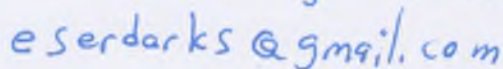

E. Serdar KARADUMAN
