ABOUT AITEX 2024

The Asia Islamic Tourism & Trade Expo (AITEX 2024) is set to be a prominent event in the Islamic Tourism and Trade Industry, showcasing the latest developments, products, and services in this rapidly growing sector. AITEX 2024 aims to bring together key players, industry experts, and stakeholders from around Asia to explore the potential and opportunities in Islamic Tourism and Trade.

With its focus on promoting cultural exchange, sustainable practices, and business collaborations, AITEX 2024 acts as a catalyst for fostering growth and innovation in the Islamic tourism and trade sector.

Overview of the Asia Islamic Tourism & Trade Expo (AITEK 2024)

THE CONCEPT AND BACKGROUND OF AITEK

Imagine a bustling gathering of entrepreneurs, industry professionals, and tourism enthusiasts, all coming together to celebrate and promote Islamic tourism and trade.

Welcome to the Asia Islamic Tourism & Trade Expo 2024, or AITEK 2024 for short. AITEK is not your ordinary trade expo - it's a vibrant hub where ideas are exchanged, partnerships are forged, and the potential of Islamic tourism is showcased.

AITEK was born out of a desire to bring attention to the rich cultural heritage and economic opportunities associated with Islamic Tourism.

This innovative expo aims to unite individuals and organizations from various sectors, including tourism, Hajj and Umrah, hospitality, business, Islamic Finance and Islamic Jewellery and trade, with a common goal of promoting and expanding Islamic Tourism in Asia.

AITEX Conference

EXPLORING OPPORTUNITIES IN THE ISLAMIC TOURISM INDUSTRY

24 August 2024 | Sunway Resort Hotel, Level 10

The Islamic Finance Conference held in conjunction with the Asia Islamic Tourism and Trade Expo (AITEX 2024) likely covered a range of topics and highlights related to Islamic finance and its intersection with tourism and trade in the Asia region. Here are some potential highlights that could have been discussed:

Islamic Finance Instruments: The conference might have explored various Islamic finance instruments such as Sukuk (Islamic bonds), Takaful (Islamic insurance), and Sharia-compliant investment vehicles, discussing their growth, innovation, and application in the context of tourism and trade financing.

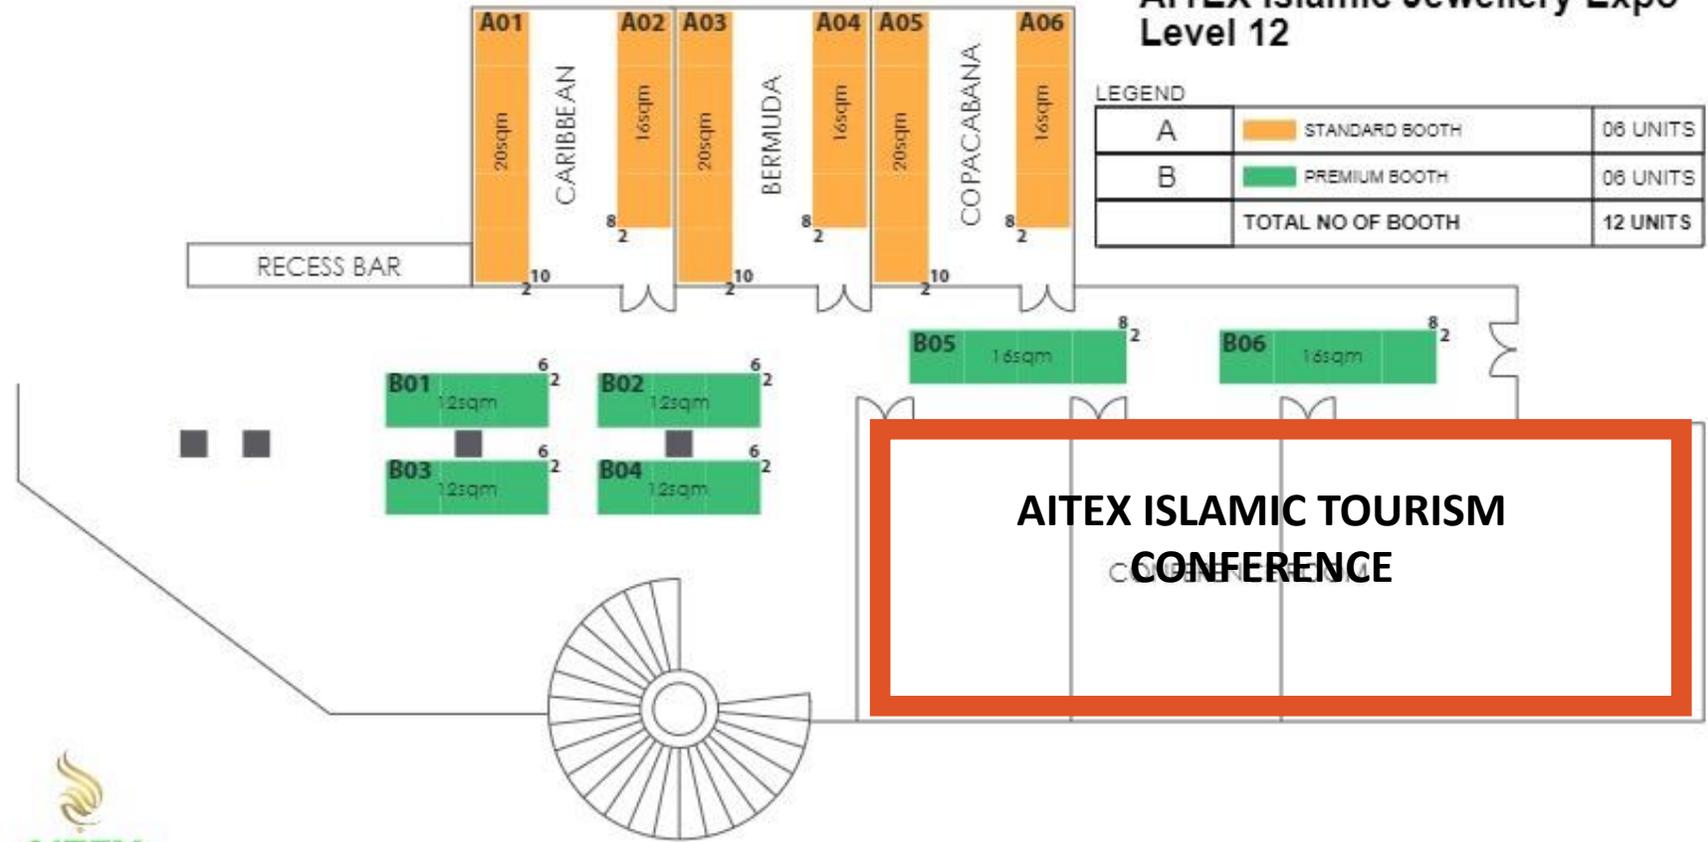

Tourism Investment Opportunities: Presentations and panels could have focused on investment opportunities in the tourism sector, emphasizing Sharia-compliant financing options for infrastructure development, hotel projects, and other tourism-related ventures.

Halal Tourism: Given the growing interest in halal tourism, sessions might have delved into the concept of halal tourism, its market potential, and the role of Islamic finance in supporting the development of halal-friendly destinations, services, and products.
