

## ONE WITH NATURE

World of Hunting and Nature Exhibition  
HUNGARY 2021

### DEAR INVITED REPRESENTATIVE,

It is a source of great pleasure and pride for Hungary to be staging the **"One with Nature" - World of Hunting and Nature Exhibition from 25 September to 14 October 2021**. We are deeply committed to realizing the Exhibition in order to provide you with an unforgettable experience of community. One means for this will be discussion of values focusing on the principle of sustainability – a concept which is essential for a better understanding of effective nature protection and wildlife conservation in the 21st century.

We will provide an opportunity for all countries and organizations that are the shapers and responsible custodians of the world's natural treasures to present themselves, their latest achievements and good practice in this field. Be assured that the preparation work for this great event is reaching its peak. We look forward to welcoming your organization in Budapest in September.

### EXTENDED REGISTRATION DEADLINE: 1 June 2021

Send your intent of registration in an informal e-mail to **[own@onewithnature2021.org](mailto:own@onewithnature2021.org)** and the OWN central office will then send you your personalized registration details
